

Chetek, Wisconsin

Bike Safety

- Always ride in the same direction as traffic
- Always wear a helmet
- Obey all traffic laws
- Keep at least three feet between yourself and passing or parked traffic
- Be aware of your surroundings and be prepared for the unexpected.

Lodging

There are 33 resorts, campgrounds and motels that are members of the Chetek Resort Owners' Association. They have lodging facilities to accommodate your next visit to the Chetek Area.

1-800-224-3835
www.chetek.net

Chetek is a community of 2,000 year-round residents plus many more who reside around the shores of our lakes. The Chetek Chain of Lakes cover 3,800 acres with 120 miles of shoreline. Many of the roads that wind around the lakes are slow traveled with low traffic making them excellent bike routes. The roads travel through beautiful scenery with many views of the lake. The routes are marked with yellow markings on the pavement.
